Whether it's a casual brunch, an elegant sit-down dinner or a reception featuring vibrant international cuisine, our culinarians will use only the finest and freshest ingredients to create a truly extraordinary dining experience for you and your guests.

In keeping with attention to every detail, we offer the following information to facilitate your planning. Count on your dedicated Catering Sales Professional to assist you in your pre-planning activities and communicate your goals to our operations team. Together, we will execute all services to your delight and satisfaction.

EXCLUSIVITY

We maintain the exclusive right to provide all food and beverage in the Las Vegas Convention Center and Visitors Authority. All food and beverages, including water, must be purchased from us.

FOOD AND BEVERAGE PRICING

A good faith estimate of food and beverage prices will be provided six (6) months in advance of the Event's start date and will be confirmed at the signing of the Agreement. However, certain environmental factors may affect pricing such as the Nevada drought. Prices are based on current market availability and cost, which fluctuate and are subject to change. Your catering manager will work with you to make product substitutions due to any of the above listed scenarios, or any other scenario which dramatically affects the price of the food and beverage for the event.

SERVICE CHARGES AND TAX

A 19% service charge will apply to all food and beverage charges. Current state and local sales taxes apply to all food, beverage, labor charges, equipment rentals and service charges, and are subject to applicable tax laws and regulations.

A service charge of 19% is added to your bill for this catered event/function (or comparable service). 90% of the total amount of this service charge is distributed to the employees providing the service as a gratuity. You are free, but not obligated, to add or give an additional gratuity directly to your servers.

If the customer is an entity claiming exemption from taxation in the state where the facility is located, the customer must deliver to us satisfactory evidence of such exemption 30 days prior to the event in order to be relieved of its obligation to pay state and local sales taxes.

PAYMENT POLICY

One hundred percent (100%) of the projected payment for the Event shall be paid at least thirty (30) days prior the Event.

The balance and any additional charges incurred during the event, is required within 15 days following receipt of the final invoice. We will begin to accrue 1.5% interests from the date of the invoice if not paid within 15 days. Additionally, any costs of collection and enforcement of the contracted services will be the responsibility of the customer. The preferred method of payment is by wire transfer or company check. In addition, we require a credit card on file for all onsite orders and additional charges.

For social events (non-convention related), a 50% deposit is required upon signing the contract. An additional deposit of 50% of the total estimated food and beverage is required 45 days in advance of the move in initial date. No less than 10 days prior to move in date for the event, present either Cashier's Check or Credit Card for back up. Any additional charges incurred during the function will be charged to the credit card upon event end date.

Customer will pay for such additional persons and/or a la carte items at the same price per person or per item plus the service charge and local taxes.
